Note to Parents

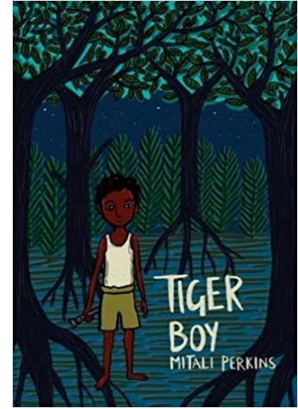

- ***Parents are requested to guide his/her wards to complete their assignments honestly and submit by the due date.***
- ***All the subject homework should be submitted in separate transparent file folders labeled neatly on the top right hand side corner.***

1. ENGLISH:

Task 1:

Books give us a peek into the worlds that we might not otherwise explore. They also help us explore aspects of ourselves that might otherwise remain untraversed. Reading has several benefits which are unparalleled including vocabulary enrichment, better expression acquisition of values and morals. Read the novel, Tiger Boy by Mitali Perkins and write a book review on it. The review should include the following:

- 1) Book Cover (Draw an important scene)
- 2) Book title and name of the author
- 3) A short summary of the book (100-120 words)
- 4) Your favourite lines from the book
- 5) Was there any similarity between Neel and the tiger cub? Explain.
- 6) Who was the most relatable character? Why?
- 7) Who was your least favorite character? Why?
- 8) The reason why you liked this book

Get creative and make a colorful book review using A4 size sheets.

Task 2:

Write a short story (500-1000 words) about someone who finally learnt how to do something after many failed attempts. In the story, highlight their desire to learn, their barriers to learning, their struggles and how they overcame that.

Task 3:

Imagine that dogs take over the world. What do they make humans do? Write a paragraph of about 100-120 words.

Task 4:

Imagine you just won the Nobel Prize for Literature and are now being asked to deliver a speech to the audience. Write the speech in about 300-500 words.

2. HINDI

परियोजना कार्य -१

भारत की किन्हीं दो प्रमुख लाइब्रेरी के चित्र बनाइए या चिपकाइए और उनके विषय में बताइये
(३ वाक्य)

सबमिशन का ढंग - A4 पेपर

परियोजना कार्य -२

“सुगम पुस्तकालय” और “वेंडिंग मशीन लाइब्रेरी” में क्या अंतर है ? कोई ३ अंतर चित्रों
सहित लिखिए /

सबमिशन का ढंग - A4 पेपर

मूल्यांकन के लिए मानदंड

क)- शुद्ध और साफ लेख

ख)- भाषा ज्ञान

ग)- प्रस्तुतीकरण

घ)- स्वरचित वाक्य

3. MATHEMATICS:

Concept - Polygons

Learning Objective - Students will be able to demonstrate their understanding of polygons using geometrical shapes.

Make a model of different types of polygons (different shapes) using ice-cream sticks .

This project is to be done on a chart paper.

Concept - Number System

Learning Objective - Students will be able to create a board game using numbers.

Create your own board game or snakes & ladders , use puzzles based on the four basic calculations of the Number system. You can be creative in making your board game colorful & interesting.

4. SCIENCE:

Learning objective

- Children will be able to find out which food is better :Packed food or the natural food. To understand the nutritive value present in the food.
- Children will also be able to communicate verbally and written, to enhance language skills.

Materials required to represent the data

- A4 size papers

Collecting data & Research

1. Collect 5 packed items that are available in the market. Make a tabular form of your data.
2. Make a list of nutrients found in them.
3. Find out the amount of each of the nutrients present in them.
4. Note down your observations with their units in your tabular data.
5. From your observation, find out which food items are good or bad for your health.

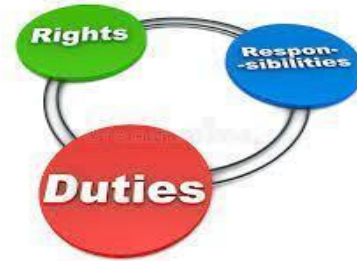

Creativity: Make products of your own e.g. “A healthy drink” by using Fruits and vegetables.

6. Name your product. Make a tabular data of your product and find out the nutrients present in it.
7. Calculate the cost of the natural source of nutrients used in making your food.
8. Compare the cost of your product with other packed items. Find out which one is costlier.
9. Compare the contents of nutrients, between the packed drink with the drink or you made out of fruits or vegetables and tell us which one is healthier and why?

5. SOCIAL SCIENCE:

A. Every citizen has rights and duties in the country. We also have rights and duties at home, at school and at work. As a child, what are your rights and duties at home and at school?

Make a chart of your rights and duties at **home** and at **school** in a tabular form.

B. Any government needs a Constitution with a set of rules.

Create a Constitution for your class with your own guiding principles.

Materials required;

A4 size paper

Color pencils/ Sketch pens

6. COMPUTER:

Activity

Create a mind map to find out ways to keep the school playground clean.

Material required to represent the data

Represent the outcome on an A4 sheet of paper

7. MARATHI:

Topic: विरुद्ध अर्थी शब्द

तुमच्या आवडीचे १० शब्द निवडून त्याचे विरुद्ध अर्थी शब्द लिहा.

(Choose 10 words of your choice and write their opposites. Be as creative as you can. Reference image has been attached.)
