ENGLISH

I Book report

Reading is crucial to everyone's success. It is one of the most fundamental skills a child should acquire. It helps not only to enhance their vocabulary but also to acquire values which indeed equip them to live a meaningful life. Enjoy reading "Eragon" by Christopher Paolini and make a Book Report.

It should include the following :

a) Book Cover (Draw an important scene)

b) Title of the book

c) Name of the author

d) Your favourite character from the story

e) His /her character sketch

f) My favourite part of the story

g) Do I relate to the story? How?

i) The reason why you liked the book .

Use your creativity to prepare a colourful book report using an A4 size sheet

II Plan a get together party at your place

Make a list of things you require using Determiners

Fr eg-

1)I called up all my friends for the party

2)Some of them did not come

3)My mother bought few packets of chips for us

Click photographs and paste them. **Write a Diary entry of not more than 120 words describing the fun you had at the party**

After the party, you were helping your mother clean the room when you **found a watch lying unclaimed** in the living room.

Draft a Notice for the School Notice Board inviting claimants for the same that you can put up on the School Notice Board as soon as the school reopens.

III Make a **Scrap Book** and paste the **Headline** (cutting from newspaper) of English
Daily. You should have atleast 20-25 such headings. Then underline any one new word on it. **Find the meaning** and frame it in a sentence of your own.

IV Project Work
What happens when a creative and an enterprising school teacher stumbles upon Alexa? He/she could have used it like the rest of us do, but here is what he did instead. Rarely do we hear innovation story
happening in places where you smell the heat and dust walk through kachcha road dotted with sleepy village homes.
A 32-year old school teacher is using Alexa to impart lessons to children of farmers and laborers employed in the vicinity. Alexa naturally piques his interest and he believes that it could be a great teacher for his restless young students. Taking a cue from the above prompt, weave an interesting story around it in about 200- 250 words.

ICT

We are going to learn about how to create and use databases for Term 1. We learnt that the data gets stored in the form of tables which may be linked. Imagine you are making a database for the school library. There are book details, user details and more to keep track of.

On a chart paper draw the table (s) with sample values for each type of user for the library. (Hint. Librarian, teachers, students are the users)
